ABOUT THE 2015 CONTEST

Congratulations to all of our educator nominees in our inaugural contest! We are so proud of our winners; they are dedicated individuals and truly represent the standard in addressing how best to incorporate character education lessons into the regular school day and identifying successful bullying prevention techniques and procedures. During a formal ceremony at our Fourth Annual Walk2Stop Bullying (June 11, 2015), in a semi-formal ceremony, Kidsbridge and partner Source4Teachers were pleased to honor our winning educators with a goodie bag, gift card and certificate.
