ABOUT THE 2016 CONTEST

Congratulations to all of our educator nominees in our Second Annual Educator Character Education Leadership Awards. We are proud of our winners! They all happen to be school counselors and dedicated individuals that represent the highest standard when addressing how best to incorporate character education lessons into the regular school day. They also focus on identifying and implementing successful bullying prevention techniques and procedures at their schools. The winners were acknowledged by Kidsbridge and partner Source4Teachers during a formal ceremony at our Fifth Annual WALK2STOP BULLYING (June 18, 2016). Each winning educator received a goodie bag, gift card and certificate. Keep up the good work!
